

Fact Sheet

my mentor

emberin's flagship empowerment program for women – **my mentor 2nd edition – challenging women to make it happen** is a powerful, self-guiding CD/DVD/workbook course that is both flexible and cost effective for an organisation to roll out with its female employees. Priced at \$425 pp*, the program features leading senior Australian businesswomen on the DVDs, and more advanced tips, tactics and templates on how women can foster untapped skills around some key areas they need direction and guidance in. The 1st edition has seen thousands of women in Australia attain some amazing goals – including career promotions, pay increases, greater flexibility at work and overcoming some major personal challenges.

Emberin also has four companion programs to *my mentor* to help organisations be proactive and drive gender diversity solutions:

my mentor – manager – a short course program developed specifically for managers of participants undertaking the *my mentor* program. \$125 pp*.

my mentor – mastering gender leadership – a powerful program to help senior men in organisations focus on the gender diversity issue and teach them practical ways to mentor women. \$450pp*.

my mentor – parental leave – a hands on program for women planning parental leave helping them develop goals, strategies and plans for taking leave and returning to work. \$145 pp*.

my mentor – alumni – a short course refresher program for ladies who have completed *my mentor* in the past and want to get back on track! \$135 pp*.
