

My Mentor Alumni

Launch your *my mentor* journey again with great new ideas, tips and strategies and the latest on how to engage mentors, working better with men and launching your amazing career!

This is an easy refresher kit for women who have successfully completed the *my mentor* program. Whether they completed the original *my mentor* over two years ago, or just in the last six months, this simple one-stop pack has been created specifically as a condensed program for women who need that kick-start to get back on their journey and focus once more on their career goals! It can easily be done in a day, or weekend, or for someone who needs to space it out, over a week.

The program has been created as an advanced short course, with more up to date information to help women step up to challenges, keep motivated and make it happen! Once again, the format is flexible for busy working women – you can watch it at home, listen to it in the car or on your iPod and fit the workbook in your handbag. Benefits of the program include:

- Cost effective motivational refresher course – able to be done at their own pace
- Follows existing *my mentor* women's and men's program strategy
- More advanced learning and skills development

What's in *my mentor alumni*?

- Two DVDs featuring words of wisdom from leading Australian businesswomen (who are also featured on the NEW second edition of Maureen

Frank's successful *my mentor* series titled *my mentor – challenging women to make it happen*

- Two CDs featuring Maureen Frank delivering a complete guide to *my mentor* graduands on how they can keep focused and how they can continue to grow and learn
- Workbook featuring NEW exercises and information to keep them on track for their journey

What is the program's key content?

- A challenge to them on where their journey has led them, what have they learned, what have they achieved?
- New updated skills for personal branding, communication, networking and managing conflict.
- New content for *my mentor* first edition alumni will focus on pink and blue styles, working with men, women as leaders and being supportive of and mentoring women and being supportive of and mentoring women.
